

# TECHNICAL SPECIFICATION

## HEAD PROTECTION

## Cooling Sweatbands for EVO® L/2/3/5/6 (Pack of 2)

Blue / Code: AJA860-0J0-500

### DESCRIPTION

The EVO® helmet Cooling Sweatband is powered by HyperKewl™ PLUS evaporative cooling material - a unique fabric that absorbs and slowly releases water through evaporation, thereby protecting the wearer against heat stress for up to 10 hours.

- Compatible with EVO®2, EVO®3, EVO®5, & EVOLite® helmets.
- Product cools in 2 Minutes.
- Machine Washable at 60°C.
